

A Place for All

The Hockomock Area YMCA's A Place for All focuses on helping our community members feel hopeful, live healthier and be connected through spirit, mind and body.

Our model ensures that every individual has access to not only membership and programs regardless of income level, but also can benefit from our mission-based programming such as food access support, holiday and year-round gift giving, our annual backpack drive, and additional community resources with a social service focus.

Financial Assistance

A Place For All uses a sliding scale rate structure that is based on gross household income designed so that all individuals are able to receive a YMCA membership and participate in programs, regardless of income level. All information is kept strictly confidential.

While our YMCA is a non-profit organization, we depend on member contributed fees to help sustain our services and mission. Therefore, 100% assistance is unusual and members pay a fee based on their ability to pay. Membership and program fee(s) will be paid through monthly bank draft or credit card only.

Checklist

- Complete the application on reverse side.
- If you are facing any additional barriers, please indicate on the Needs Assessment section. A team member will follow up with you to address additional support.
- Once completed, a membership can be activated and program registration can begin.
- Within 30 days of your join date you must return proof of annual gross household income.
- **Please Note:** If documentation is not received within 30 days, the YMCA membership and any program enrollment will be terminated.
- Once documentation is received, an award letter will be sent from the YMCA.
- Please see our most current A Place For All Membership & Program Rates & Sliding Scale.

A PLACE FOR ALL. To ensure that our membership, programs and services are accessible to everyone, the Hockomock Area YMCA offers "A Place For All" Financial Assistance Program. This income-based membership and program rate scale welcomes all individuals and families to become active members of the Y, no matter what their financial circumstances may be. We are able to offer A Place For All because of donations made through our Annual Fundraising Campaign.

FULL FACILITY MEMBERSHIPS. A Full Facility Membership gives our members access to 4 great facilities located in the towns of Foxboro, Franklin, North Attleboro, and Mansfield. A Full Facility Membership gives members access to all member areas of those facilities with the full range of member benefits, including preferred rates on programs, complimentary fitness classes, and other value-added services.

MONTHLY FEES. At the time of joining, you will be charged a pro-rated membership fee based on the number of days remaining in the current month. After that, you will be charged your regular monthly fee on the 15th of the month via automatic draft. You can choose for membership fees to be drafted via credit card or bank account.

Please note that if the fee is returned, you will be charged a \$5 return fee, so please make sure you let us know if there is a change to your account before your next draft.

PAYING ANNUALLY. If you prefer, you may choose to pay your membership on an annual basis. Your rate is simply 12 times the monthly rate. We will send you a notification when your membership is up for renewal.

Please see the reverse side for our A Place For All Membership and Program 5-Tier Sliding Scale.

HOCKOMOCK AREA YMCA

A Place For All Pricing 5-Tier Sliding Scale

The **A Place For All Program** uses a sliding scale rate structure that is based on gross household income designed so that all individuals are able to receive a YMCA membership and participate in our programs regardless of income level. All information is kept strictly confidential.

To determine your monthly membership-program rate, please review the chart below and find the percentage that corresponds with your total annual gross household income and the total number of people in your household.

This is the percentage rate that you will pay for your membership and programs each month. For example, if the standard Adult membership rate is \$61 and you qualify for a 50% membership rate, you will pay \$30.50 per month. If you choose to sign up for a program, in this example you would pay 50% of the cost of that program per month. (Some specialty programs are not scholarship-eligible).

Within 30 days of your join date you need to return proof of total annual gross household income to any of our 3 branches in Foxboro, Franklin, or North Attleboro. If documentation is not received within 30 days, the YMCA membership and program enrollment will be terminated.

Please Return Proof of Income (within 30 days of Membership Start):

- **By Email:** scholarship@hockymca.org
- **By Drop-Off:**
To the Member Service Desk at one of our 3 branches located Foxboro, Franklin, or North Attleboro.
The benefit of dropping off in person is the immediate processing of your application by our Member Service Desk.
- **By Mail:**
Hockomock Area YMCA, 300 Elmwood St., North Attleboro, MA 02760 Attn: A Place For All

PLEASE NOTE: A Y Team Member will reach out to you upon receipt of your *A Place For All* application and review any next steps needed.
